

Uses

Staples All-purpose Cloth is an effective simple solution for both wet and dry cleaning. Staples lightweight cloths work well dry for dusting, or wet them and use with cleaning fluids, for washing surfaces or handling washing up crockery and plates. The cloths are semi-disposable so they can be used multiple times while reducing the risk of cross-contamination.

Example markets: Offices, households, hospitality, hospitals and commercial buildings.

Applications

Examples are:

- Dusting
- Drying
- Washing Surfaces
- Cleaning appliances
- Wiping down counters
- Windows & Glass Surfaces
